**MSN # 1/2022**

**TRAFFIC CONTROL- DEMERARA MAIN SHIP CHANNEL**

The Maritime Administration Department (**MARAD**) wishes to advise that with immediate effect vessels can **ONLY** transit the channel three hours leading up to, and three hours after the time of high water, due to the ongoing capital dredging activities (**Notice to Mariners 97, 98, 113 and 116 of 2022**), in the Demerara Main Ships' Channel.

This restriction will remain in place for the duration of the dredging activities, and may be amended as necessary.

Mariners are hereby cautioned to comply with this restriction, so as to maintain safe navigation in and out of Port Georgetown.

All for your information and guidance.
