NOTICE

On or about 1st July 2024, in the aftermath of Hurricane Beryl, the vessel MV Guidance II went adrift with a crew of five St. Vincent and Grenadines nationals.

The MV Guidance II is a 150 feet vessel with a white superstructure.

All mariners and vessels operating offshore are encouraged to be vigilant and report any sightings to the Guyana Defence Force Coast Guard or the Georgetown Lighthouse.

Our thoughts and prayers are with the family of the crew members, as well as the people of St. Vincent and the Grenadines. We are hopeful for the safe return of the vessel and crew.

Maritime Administration Department

Guyana

“To ensure the safety of ships and offshore operations, the protection of the marine environment and the administration of the ports and harbours through a competent and committed workforce.”
