No. 041 (2025) Guyana

**DEMERARA RIVER – High Voltage Transmission Line Towers - Height Restriction for Navigational Clearance and Vessel Passage**

The *Maritime Administration Department (MARAD)* wishes to advise that effective February 16, 2025, the construction of Two High Voltage Transmission Line Towers at Wales on the West Bank of Demerara and Garden of Eden on the East Bank of Demerara will commence.

As a result, the vertical clearance will be restricted to **55 metres** above mean high water springs at the completion of the installation of the suspended power cables.

This operation is scheduled to conclude on **March 01, 2025**.

The High Voltage Transmission Line Towers are bounded by the following coordinates:

Name	Latitude (N)	Longitude (W)	Remarks
<b>Wales (W.B.D)</b>	06° 38'.202	058° 12'.820	WGS 84 (Zone 21)
<b>Garden Of Eden (E.B.D)</b>	06° 37'.973	058° 12'.131	WGS 84 (Zone 21)

*Insert of Chart BA 519 showing area of operation*

All mariners are required to navigate with extreme caution when in the vicinity, especially during this construction period.
